

Tidy Trays™

Sanitary High Chair Tray Cover

Helps protect
against the
H1N1 Virus!

Tidy Trays™ are an easy to use, sanitary tray cover. They create a clean, safe eating surface for your child guarding them against germs and bacteria. They fit on every restaurant highchair, food court tray, daycare highchair and residential highchair we've tested in North America and the UK. Tidy Trays™ are easy to clean and machine washable and the built-in sippy cup holder can be used for easy fold away storage. Tidy Trays™ are friendly for the environment and bring you peace of mind while you are dining with your child.
